

Plan for Learning at Home

Teachers

Teachers will carry out duties related to teaching and learning during normal school hours to support learning continuity for all students. Compass will be utilised as the platform for **Learning from Home**. Teachers will post instructions for learning on the class dashboard on Compass. Additional resources may be available on the Resources tab on Compass, OneNote or Managebac (IB), Edrolo, Stile. The teachers may also include a link to a Webex video conferencing to communicate with students online.

Students

Students must make sure that they are able to access Compass. Please contact the school if you need assistance.

See below on how the class dashboard can be accessed by students.

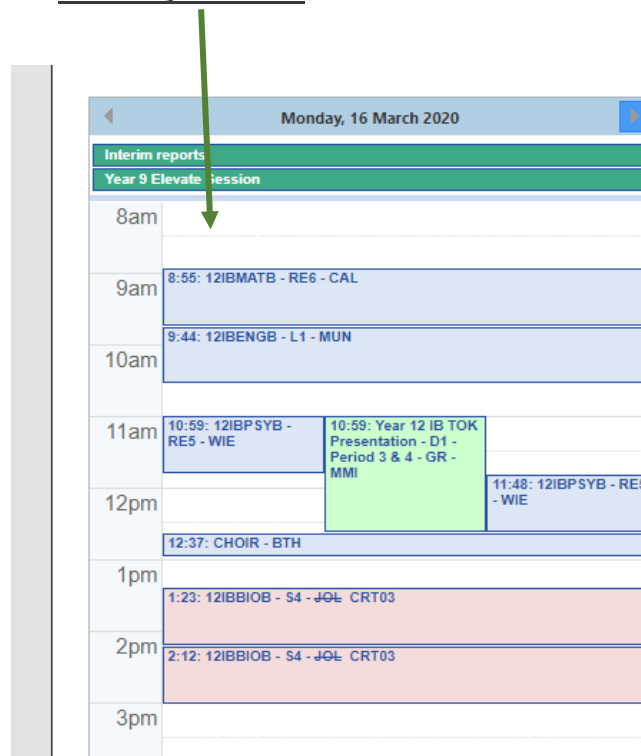

Parents

We request parents to support the children at home by providing a working device and a suitable learning space to complete their tasks in the event of school closure. Please email the school at werribeesc@edumail.vic.gov.au if you need any assistance.

How to access Lesson Plan on Compass

In the event of school closure, all students are expected to log on Compass and access tasks assigned by the teachers.

1. Access your **schedule** then **click on your class.**

The screenshot shows a digital calendar interface for Monday, 16 March 2020. At the top, there are two green header bars: 'Interim reports' and 'Year 9 Elevate session'. Below these, a vertical timeline on the left lists times from 8am to 3pm. The main area contains colored blocks representing lessons. A green arrow points from the text 'click on your class' in the list above to the 'Year 9 Elevate session' header.

Time	Lesson
8am	
9am	8:55: 12IBMATB - RE6 - CAL
10am	9:44: 12IBENGB - L1 - MUN
11am	10:59: 12IBPSYB - RES - WIE
11am	10:59: Year 12 IB TOK Presentation - D1 - Period 3 & 4 - GR - MMI
12pm	11:48: 12IBPSYB - RES - WIE
12pm	12:37: CHOIR - BTH
1pm	1:23: 12IBBIOB - S4 - JOL CRT03
2pm	2:12: 12IBBIOB - S4 - JOL CRT03
3pm	

2. The **Dashboard tab** will give you instructions on what tasks to complete for the day. If you need assistance from your teacher, you are able to email them using the email provided by your teachers.

Lesson Plan

Students to access OneNote page for boardnote examples and worked solutions.
Complete the set exercises from textbook as outlined.

Students to download Assessment Quiz for Vectors from Marjoriebac and complete by Wednesday 18th March.

 **Feedback and further clarification.**
Hi all,
any further feedback required with the current topic of vectors email me on
calleaan@staff.werribeesc.vic.edu.au

Feedback for your Exploration task will be continued.
