PETTY CASH POLICY

RATIONALE:

- At times, production of order forms and cheques for small purchases is inconvenient or unrealistic. On such occasions, petty cash may be used.

AIMS:

- To implement a petty cash process that meets the school's needs and at the same time complies with Departmental requirements.

IMPLEMENTATION:

- The purpose of petty cash is to meet minor payments for purposes other than salary and wages. The limit on any one payment is \$50.
- The principal, with the permission of the school council, may establish a petty cash advance under the following conditions:
 - The initial advance is to be established by drawing a cheque made payable to the advance holder, that is the member of staff responsible for the custody and control of the cash advance, and opened to 'pay cash'.
 - In normal circumstances, a petty cash advance should be sufficient to pay the expected expenditure for a month.
- Advances are to be adjusted at the end of each school year by the repayment of cash, or cash & vouchers, or vouchers equal to the advance
- Authorised advances may be re-established at the beginning of the next year.
- A petty cash docket is to be used to show the details for each individual payment.
- All documentation relating to the payment, that is, cash register dockets (for amounts over \$10), supplier's invoices and so on, are to be attached firmly to the petty cash docket and, in turn, it is to be attached to the petty cash schedule that is the advance holder's summary record of transactions. At the time of payment, all dockets and supporting documentation are to be cancelled by writing or stamping the word 'paid' across all documents.
- Where an individual has used a personal credit card to purchase goods for the school, the card holder's copy of the voucher is to be attached behind the petty cash docket when reimbursement is claimed.
- A record of petty cash expenditure, using either a book or the petty cash schedule mentioned above, is to be maintained by the advance holder. The record is to show the amount of the advance, the date cash was paid, the signature of the person incurring the expense, a brief description of the expense, the account to be charged and the amount of purchase(s).
- Before petty cash need is replenished a reconciliation must occur to ensure that the total of the payments made plus the balance of cash on hand equal the amount of the original advance. Summarise the expenditure incurred to accounts chargeable on reimbursement, prepare the payment voucher to replenish the advance to its fixed amount, that is a cheque is to be drawn for the sum of the total payment made, make the recoupment cheque payable to the advance holder and opened to 'pay cash', with this notation being signed by the cheque signatories.
- A fresh record of the petty cash payment is to be started after each recoupment of advance.

- In accordance with internal control procedures, only one officer is to be the custodian of a petty cash advance and accountable for it. Therefore, no other person is entitled to access the advance.
- Cash on hand is to be kept in a secure location (lockable drawer/safe) at all times. The cash on hand must be fully adjusted and re-banked at the end of each school year. During other vacation periods, where small amounts are held it is not necessary for action to be taken.
- The principal or an officer appointed by the principal should carry out checks (at least two per year) where the officer checks that the petty cash balances without having given the advance holder/custodian prior advice of the check.
- The check should not be at the end of a reimbursement period and is intended to ensure that:
 - the records are up-to-date
 - loans are not being taken from the advance
 - security is being maintained over the advance and vouchers.
- The custodian must be present at all times during the check. The principal is to be advised in writing of the results of the check in a signed and dated report from the checking officer and the advance custodian.

EVALUATION:

This policy is due for review by 04/24 as part of the school's three-year review cycle.
