WERRIBEE SECONDARY COLLEGE

Dear parent/guardian,

Werribee Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Werribee Secondary College's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that Werribee Secondary College can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

At Werribee Secondary College, this support has allowed us to provide students with an enriched educational experience which meets the needs of the highly able learners at our school. This includes the following provisions

- Enhanced digital learning opportunities by providing faster WIFI and internet to students and the use of platforms such as Compass, Stile and Edrolo that support students to learn at their own pace.
- A wider offering of subjects with smaller class sizes supported when necessary to ensure the highest possible number of students get their first choice of subject.
- A strong focus on experiential learning with students having greater access to practical work in smaller groups.
- Whole school events that build the culture of the school such as our annual Sporting Carnivals and Presentation evenings.
- Student Leadership programs that build students skills and provide opportunities for all students to develop these important skills for the future.

All government schools are funded using the same, per capita, model. For Werribee Secondary College to continue to provide the high-quality education our students require, the financial support of families is essential.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Amanda Mullins
